Donation Day & Non-Uniform Day: Tuesday 2nd December

It's donation day on Tuesday!

- Bottles (alcoholic or non-alcoholic), or toiletries
- Filled jam jars (sweets or small trinkets) or extra sweets/trinkets to help fill jars – **no nuts**, please
- Chocolate bars or boxes of chocolate
- New or nearly-new toys, games, or craft kits

Donations should be brought to the **BACK** of the new (KS2) building. If you can help carry items upstairs to the spare Y6 classroom (or even lend a hand for any amount of time to sort) it would be hugely appreciated!

As a thank you, children are welcome to come in non-uniform on this day.

Bring your raffle tickets and money to the Buddy Bench any morning (8.40-8.50am) next week from Tuesday

Before and After the Fair - Please help!

Can you spare 15-30 minutes to help on Friday 5th December (anytime between 5-7pm)? We need to bring things down from the spare Y6 classroom (which is upstairs) and the lift is not reliable. The more hands we have, the fewer trips down the stairs we'll need to do. Let your class rep know if you can help. Nibbles provided!

Who tidies up after the Fair is finished? Imagine the floor of the hall once the tombolas are gone, the craft room, bits of food on the dining hall floor... If you are able to stay on after the fair (with or without your child(ren) around), we'd love a few more people to help us sweep, Hoover, or take things to bins. With more hands, we could be finished by 3pm. Again, let your class rep know if you can help. Leftover food, cake and mulled wine up for grabs!
