

ST PETER'S PSA NEWSLETTER

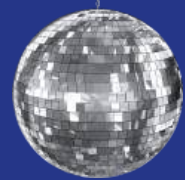

26 Sept 2025

Keeeeeep Dancing!

What a week! School discos are now done and dusted – and what a joy they were!

It was wonderful to see the excitement in the room, the friendships formed over dancing, and even the creativity that flowed in the colouring corner. Together, we raised **£1180** over the 3 discos.

Huge thanks to everyone who came along, and to the teachers and volunteers who made it all possible.

Fundraising Update / Celebration

We are thrilled to share some **BIG** news: thanks to your amazing support, we have (already!) reached one of our fundraising target for this year. Together with the school, we've agreed to fund:

- 30 Acer Chromebooks and 2 charging trollies
- 6 brand-new iPads with protective cases and a charging station
- All the relevant software licences

This incredible bundle comes to just over £10,000 – and it will make a massive difference to every child in the school. Well done team!

TO YOUR CV**

Fancy being our next PSA Chair?

We're on the lookout for someone who loves a good project, enjoys rallying a team and wants to help keep the fun (and fundraising!) rolling. If that sounds like you, drop us a line - we'd love to chat!

The PSA helps to raise funds, plan fun events, and support the extras - like books, laptops, and playground improvements - that make a *real difference* to our children's experience.

**Interested? Email us:
stpeters.psaevents@gmail.com**

**You don't need a cape - just a bit of time
and a team spirit.**
