## RIVERSIDE ARMS (aka "pub night in the school hall") Thursday 12 March 7.30-10.30pm

There's been lots of chat about this one (we're looking at you, WhatsApp groups 👁️), so here's your gentle nudge to turn "sounds fun!" into an actual ticket.

Our recent events have sold out in advance, and this one will have a capacity limit too. If you're planning to come along, we strongly recommend booking sooner rather than later.

Pre-booking really helps us plan the bar, stock and space and your ticket includes your first drink, so you may as well get it sorted now.

It will be a brilliant evening: relaxed, sociable, and a chance to reclaim the school hall strictly for grown-ups. If you're coming (and we think many of you are 😊), please grab your ticket now so we can plan properly:

We can't wait to see the hall transformed back into the Riverside Arms!
