

ST PETER'S PSA NEWSLETTER

6 March 2026

Is your class coming?

Riverside Arms: Thursday 12 March 7.30-10.30pm

We're busy finalising the bar, sorting the games and entertainment, and building what we're confident will be a very decent playlist. To help us plan properly, it would be really useful to have a good sense of numbers by Tuesday 10th March — so if you're thinking of coming, now's a great time to grab a ticket.

There may be a small number available on the door on the night, but we can't guarantee it — so booking in advance is the safest bet. Plus your ticket includes your first drink, which is never a bad thing.
