Fundraising Successes

It's been quite the term (again)! Thanks to every preloved jumper, Winter Fair sweetie jar, film club ticket, Riverside Arms drink, panto ticket, fairy cake, and more (!) that you bought and helped with, we have successfully completed fundraising for TWO big goals this term.

- The new audio system for the hall (with a new corresponding laptop) will be installed over the Easter holidays.
- Six (!) classroom interactive whiteboards (an essential part of teaching) that have started to fail will be replaced over May half-term.

Did you know that you don't need to wait for an event to help towards the next goal? You can donate anytime here:
