

Further information and stats for St Peter's Sports Provision 2025-26

Swimming Stats:

This data is based on the current Y6 class, of which there are 29 children. All but one child can swim 25m (as of their last swimming lesson in Y5).

28/29 = 97% of Y6 can swim 25m

23/29 = 77% of Y6 can swim 25m in a range of strokes

26/29 = 87% of Y6 can perform a self-rescue

Events and competitions:

This year, we entered 12 School Games organised events for KS2 children, which are targeted at different groups of children (various levels of competition, specific genders, year groups and an SEND event) to allow a range of pupils to represent St Peter's School.

Some of these events had multiple entry levels (e.g. Hockey we entered both a Compete and an Aspire team)

- Inspire and Engage events: 6
- Aspire and Develop events: 3
- Compete events: 5

We also entered the St Albans Sports Leagues for Netball, Football, Girls Football, Cross Country and Cricket, where Year 5 and 6 children had the opportunity to play matches against other local schools. There were also x2 Netball tournaments, a Girls Football tournament and the Football prelims. For Athletics, we entered the annual St Albans District Sports, for children in Y3-6 to participate in track and field events across two days of events.

Statistics on representation at sporting events:

Year Group	Children	Percent
Year 6	25 / 29	86%
Year 5	43 / 56	77%
Year 4	29 / 59	49%
Year 3	20 / 58	34%
LKS2	49 / 117	42%
UKS2	68 / 85	80%
KS2	117 / 202	58%

Sport Opportunities:

Our Sporting year culminates in our EYFS, KS1 and KS2 sports days, held in June. All children participate in a carousel of activities (athletics, sports and fun!) and have the option to also run in class races.

During Sports Week, we used Sports Premium Funding to provide all children with at least one enrichment day, either in school or a trip to a local provision. Three of these events – Fencing, Karate, Gymnastics- were held by our club providers, and signposting to their Autumn 2027 club in school and in the local area was highlighted as a pathway for that sport.

We also held two Tennis enrichment days through the LTA and Batchwood Tennis for Reception – Year 4, and a Chance to Shine Cricket Day for Years 4, 5 & 6.

Clubs:

We offer 6 free sports clubs for pupils across the year – Y4-6 Running, Y5/6 Hockey, Y5/6 Cricket, Y5/6 Netball, Y4 Netball and Y5/6 Girls Football.

In addition, we offer 9 external sports clubs including Y3-6 Fencing, Y1&2 Fencing, Y1&2 Football, Y3-6 Football, Y3-6 Karate, Y1&2 Gymnastics, Y3&4 Gymnastics, Y5&6 Gymnastics, Y2-6 Cheerleading.

Leadership:

Over the 25-26 year, 10 Y6s have been Sports Leaders. They have organised and run lunchtime activities and activities linked to World Book Day, such as Orienteering. They have met with the PE Lead each term to share pupil voice and give input on new ideas, such as requesting a Cricket Club and lunchtime equipment. They helped with District Sports trials by organising races and also maintained sports equipment.

In summer term, Year 5 organised and delivered a PE carousel of sporting activities one afternoon for our Year 1 class, which was a wonderful way to end their buddy link up. They planned an activity in small groups, organised their equipment and ran their event for 4 different groups of Year 1 pupils.
