Your fundraising in action

Thanks to you the PSA is proud to have already fully funded some brilliant things for St Peter's this year.

🎨 **Specialist art materials**
A new bank of specialist art materials to make art lessons even more special.

🪙 **The new token rewards system**
You've probably heard all about this one from your children!
It's the new token rewards system, including the personalised tokens, along with all the equipment needed to make it happen.

📚 **£200 per class for new books**
£200 per class to help refresh and expand classroom libraries.

That's £200 for *every class*, not every year group, so each classroom can benefit.

This is what your support makes possible. Thank you!

A little note about ticket bookings

We're switching from SumUp to Zeffy for booking PSA events.

Why? Because Zeffy **doesn't charge us booking fees**, which means more of the money you spend on tickets can go towards supporting the children at St Peter's.

BUT one thing to know...

When you check out, Zeffy will automatically suggest adding a 17% tip to support Zeffy (**not the PSA**).

You don't have to pay this!

If you'd rather not add a tip, simply select "Other" and enter £0.

Your ticket price is all you need to pay; the tip is completely optional.

Thanks for helping us keep as much of our fundraising as possible where it belongs: back in school!

St Peter's School PSA

Every little bit helps

From funding specialist art materials to supporting classroom libraries, your fundraising makes a real difference to life at St Peter's.

There are lots of ways to be part of it:

- Come along to an event
- Sign up to the PSA Lottery
- Volunteer when you can
- Spread the word about what the PSA is doing

We're all volunteers, and every contribution helps us make more possible for the children.

Thank you for being part of our school community.
