On my way-

Tell ev'rybody I'm on my way,
New friends and new places to see
With blue skies ahead, yes I'm on my way
And there's nowhere else that I'd rather be

Tell ev'rybody I'm on my way,
And I'm loving every step I take.
With the sun beating down, yes I'm on my way
And I can't keep this smile off my face.

'Cos there's nothing like seeing each other again,
No matter what the distance between.
And the stories that we tell will make you smile,
Oh it really lifts my heart.

So tell them all I'm on my way,
New friends and new places to see.
And to sleep under the stars, who could ask for more,
With the moon keeping watch over me?

Not the snow and not the rain can change my mind.
The sun will come out; wait and see.
And the feeling of the wind in your face can lift your heart.
Oh, there's nowhere I would rather be.

'Cos I'm on my way now.
Well and truly,

I'm on my way now.
I'm on my way now. (x3)

Tell ev'rybody I'm on my way,
And I just can't wait to be there.
With blue skies ahead, yes I'm on my way
And nothing but good times to share.

So, tell ev'rybody I'm on my way,
And I just can't wait to be home.
With the sun beating down, yes I'm on my way
And nothing but good times to show.
I'm on my way.
I'm on my way.

I Am Me-

SOLO 1: I am me
And that's all I need
Won't get down
It's my crown

SOLO 2: I am me
And that's all I need
I'm number one,
A champion

SOLO 3: So they've got words like knives
and they ain't playing nice
They think they run the show
But we say otherwise
Don't let them in your head
It's full steam ahead
No one in your way
SOLO 4: You've got to run your race,
And there's no looking back
'Cause in this wicked game

You've got to stay on track
They say you'll never win
But don't let them in just let them hear you say.

CHOIR: I am me
And that's all I need
Won't get down
It's my crown
I am me
And that's all I need
I'm number one
A champion.

Gotta fire up our wheels
Keep our spirits high
Gotta leave all that emotion
Emotional cargo behind
We can make them see
If we just believe
We're breaking down these walls.

I am me
And that's all I need
Standing tall, won't see us fall
No big deal
'Cause we're made of steel
See it now, our winner's bow

SOLO 5: It's time that I made a move now,
Start me up, the race is on.
They'll see first place is where I belong.

SOLO 6: I want the crown and I want it now,
I was made to go faster than the limits allow.

CHOIR: We want the crown and we want it now.
We were made to go faster than the limits allow.
Faster than the limits allow.

I am me
And that's all I need
Standing tall, won't see us fall
No big deal, 'cause we're made of steel.
See it now, our winner's bow.

You've got to run your race,
And there's no looking back
'Cause in this wicked game,
You've got to stay on track
They say you'll never win
But don't let them in.
Just let them hear you say.

I am me
I am me
I am me
I am me
I am me

The Nights-

Once upon a younger year
When all our shadows disappeared
The animals inside came out to play
Went face to face with all our fears
Learned our lessons through the tears
Made memories we knew would never fade

One day, my father, he told me, "Son, don't let it slip away"
He took me in his arms, I heard him say
"When you get older, your wild heart will live for younger days
Think of me if ever you're afraid"
He said, "One day, you'll leave this world behind
So live a life you will remember"
My father told me when I was just a child
"These are the nights that never die"
My father told me.

"When thunderclouds start pouring down
Light a fire they can't put out
Carve your name into those shining stars"
He said, "Go venture far beyond the shores
Don't forsake this life of yours
I'll guide you home no matter where you are"

One day, my father, he told me, "Son, don't let it slip away"
When I was just a kid, I heard him say
"When you get older, your wild heart will live for younger days
Think of me if ever you're afraid"
He said, "One day, you'll leave this world behind
So live a life you will remember"
My father told me when I was just a child
"These are the nights that never die"

My father told me

"These are the nights that never die"
My father told me
My father told me

Octopus' Garden

1. I'd like to be under the sea,
In an octopus's garden in the shade.
He'd let us in, knows where we've been,
In his octopus's garden in the shade.
I'd ask my friends to come and see
An octopus's garden with me.

I'd like to be under the sea,
In an octopus's garden in the shade.

2. We would be warm below the storm,
In our little hideaway beneath the waves.
Resting our head on the sea bed,
In an octopus's garden near a cave.
We would sing and dance around
Because we know we can't be found.

I'd like to be under the sea,
In an octopus's garden in the shade.

Ahh, ahh,
Aah, aah, aah.

3. We would shout and swim about
The coral that lies beneath the waves.
Oh what a joy for ev'ry girl and boy
Knowing they're happy and they're safe!
We would be so happy, you and me.
No one there to tell us what to do.

I'd like to be under the sea,
In an octopus's garden with you,
In an octopus's garden with you,
In an octopus's garden with you.

Mr Blue Sky-

Sun is shinin' in the sky,
There ain't a cloud in sight.
